PRESIDENT'S OVERVIEW

Sir John N. Dawanincura, Kt, OBE PRESIDENT Papua New Guinea Olympic Committee

The ability to win on the international stage is a combined effort with buyin from our members and stakeholders to inspire a nation and future generations

We are placed in a unique position where we are privileged to participate at the three respective games movements, being the Olympic Movement, Commonwealth Games Movement and the Pacific Games Movement.

As a member of respective games movements, we endeavor to promote the three games movement in country whilst advancing our presence on the international stage.

We will continue to do our best to advocate for the sporting interest of Papua New Guinea in the region and across the games in movements both youth and elite athletes and officials.

We witnessed the joys and triumphs of 2022 with our third ever win on foreign soil at the 2022 Northern Marianas Pacific Mini Games, and then followed up with buoyant efforts at the 2022 Birmingham Commonwealth Games highlighting Morea Baru's Silver Medal and Dika Toua's fourth

(4th) placing in Weightlifting.

Competing in 5 out of 9 sports and topping the medal tally with 33 Gold, 28 Silver and 19 Bronze for a total of 80 medals at the 2022 Northern Marianas Pacific Mini Games exceeded our expectations.

We would like to extend our congratulations to all our successful athletes and officials who represented Team PNG in 2022. The results of 2022 provides a great springboard for Team PNG as we look towards the 2023 Solomon Islands Pacific Games.

As we approach the mid-term of our current strategic plan we will be conducting a review and analysing our performances, critiquing our programs, activities and benchmarks whilst enhancing our preparations through our limited resources, collaborating with stakeholders, and forging and renewing relationships to ensure our goal of sustained success.

The success of 2022 brings a renewed sense of connection amongst our member and affiliate National Federations about what can be achieved. This also includes the opportunity to champion the role that sport plays within the community by driving positive messages and promoting sport as an important enabler of sustainable development.

We remain steadfast in our vision of inspiring Papua New Guinea through sporting excellence and success. Together with our stakeholders, sponsors and partners, we aim to build national pride and unity to inspire the next generation of Team PNG athletes.

Other notable events for the year included Papua New Guinea hosting the Queen's baton relay in the lead up to the Birmingham 2022 Commonwealth Games where Team PNG also competed and placed a respectable 35 out of 72 competing Commonwealth Nations.

We wish like to express our sincere gratitude to the Government of PNG, PNG Sports Foundation, Kumul Consolidated Holdings, our corporate partners, National Federations and stakeholders for their support, invaluable time and contribution towards Team PNG in 2022.

Their generosity and efforts have been instrumental in helping our team prepare and compete at the highest level. Their belief in our athletes and their abilities has been a source of inspiration and motivation. We cannot thank them enough for your continued commitment to the development of sports and sustained success for Team PNG.

Together with our National Federations, we will continue to work hard to create a competitive and safe environment for all those involved in sport as we turn our attention towards the 2023 Solomon Islands Pacific Games and 2024 Paris Olympic Games.

We know our role and objectives within the PNG Sporting landscape and the broader Pacific Games, Commonwealth Games and Olympic Games movements.

The next Olympiad presents better opportunities for Team PNG to excel and shine based on our journey over the last four (4) years.

Sir John Dawanicura President

SECRETARY GENERAL'S REPORT

Auvita Rapilla, ML
SECRETARY GENERAL
Papua New Guinea Olympic Committee

We are half-way through another Olympiad (2021 - 2024).

The excitement and momentum of a packed calendar of games and events commenced in late January with Papua New Guinea receiving and hosting the Queen's Baton Relay in the mighty East Sepik region. The Queen's Baton Relay is a precursor event to the Commonwealth Games which sees the baton carrying the Queen's message passed across all 72 Commonwealth Nations before ending up in the host country and read by the Queen at the opening ceremony of the Commonwealth Games.

Floating stage at East Sepik Province during the 2022Queen's Baton Relay

We would like to acknowledge the Honorable Governor of East Sepik Allan Bird, his team, and the people of East Sepik for receiving the Queen's Baton and showcasing one of the many unique cultural environments in Papua New Guinea to the global community.

February saw the hosting of a media briefing to advise the local media of our calendar of events. We acknowledge the role that media plays, in all its forms, in telling our stories to the general public and wider global audience. In addition, the Papua New Guinea Olympic Committee (PNGOC) in its capacity as the PNG Commonwealth Games Association announced and congratulated Vavine Yore on being selected as one of 25 women from the Commonwealth, and as a first successful recipient from Papua New Guinea to be awarded the Commonwealth Women's Leadership Program Scholarship in 2022.

In March we were fortunate enough to hold our annual Trukai Fun Run auctions in both Lae and Port Moresby. The auctions and Fun Run are key fundraising events of Team PNG where every shirt sold goes towards funding Team PNGs participation at the international multi-sport events for the calendar year. Unfortunately, the world and PNG were still recovering from the devasting effects of the COVID19 pandemic in the early part of 2022 which prevented the staging of the physical Fun Run event for another year. Despite this we are grateful towards event and naming rights sponsor Trukai Industries, local business

houses and Papua New Guinea for throwing their support behind Team PNG and purchasing a t-shirt in 2022. We were able to raise K375,000 from both the Lae and Port Moresby auctions.

We are indebted to Trukai Industries for their continued partnership over the last 22 years as the mainstay sponsors of the Trukai Fun Run since 2000. Whilst we look towards future collaborations with Trukai Industries, we would also like to acknowledge the steadfast support with the retail sales of the t-shirts by the City Pharmacy Group of Companies and Trophy Haus Limited through their respective retail outlets.

On the working front the Secretary General – Auvita Rapilla, along with the Manager for Games & Programs – Asiani Vagi and Senior Accounts Officer Laisani Samson attended the Oceania National Olympic Committee (ONOC) Secretary General's workshop with the theme being enabling effective leadership in Oceania. The capacity building workshop largely consisted of a female orientated audience (90%) signaling the growing trend and intention of increased female leadership, enhancement and equality in the sporting space culminating with the celebration and advocacy of International Women's Day on March 8th.

By April we had firmed up our two major fundraising initiatives with the conclusion of the Prime Ministers Corporate Golf Challenge in both Lae and Port Moresby. The major event sponsor, The National continued its long-term support with 352 branded Polo t-shirts and 300 pieces of microfiber towels for the traditional dual corporate challenges in Lae and Port Moresby. The National has been one of the mainstay sponsors of the event over the years.

We also acknowledge the on-going support of minor sponsors from Toyota, Coca Cola Euro Pacific Partners, Brian Bell, Air Niugini, Coral Sea Hotels, Theodist Ltd, Media Partners, Blue 7 Team and others including supporting prize Sponsors this year. Thank you to the 26 corporate teams that took part in the Lae leg whilst 46 teams took part in the Port Moresby tourney to bring the total to 72 teams that supported our fundraising event this year and enabled us to raise a total of K240,000 for Team PNG.

Major sponsors for the Prime Minister's Corporate Golf Challenge, The National.

As we ramped up preparations for our first multi-sport event of the year being the 2022 Northern Marianas Pacific Mini-Games, we were fortunate enough to have the ongoing support of our family of corporate sponsors such as the major contributors to Team PNG – Kumul Consolidated Holdings with its three-year investment towards Team PNG equivalent to K1million/year, K50,000 commitment from Theodist through to the K150,000 cheque presentation from SP Brewery towards Team PNG before the games.

In May we finalised our 92 athletes and officials traveling and competing in five (5) of the nine (9) available sports at the 2022 Northern Marianas Pacific Mini Games, with those sports being Athletics, Golf, Tennis, Va'a and Weightlifting. Within the same month, in collaboration with the Australian High Commission through its PacificAus Sports Program we were able to launch and carry out a two-part Sports Science and Sports Medicine Masterclass series. The masterclass series aims to address the critical gap in Sports Science and Sports Medicine in Papua New Guinea by building up the capacity of local sports science and sports medicine practitioners, in particular sports physiotherapists, sports doctors, rehabilitation therapists and strength and conditioning coaches, as part of our 2021-2024 Team PNG Performance Strategy.

In the latter part of May we held the 30th Edition of the SP Sports Awards which saw local jump queen and Team PNG elite athlete and Olympian Rellie Kaputin being awarded the Female Athlete of the Year, Male Athlete of the Year went to PNG's Weightlifting sensation Morea Baru, Kumul Petroleum Holdings Limited sponsored PNG Barramundis consecutively winning the Team of the Year award, and National Performance of the Year going to athletics legendary renown Nelson Stone club NEST Athletics.

The Other winners included, Joshua Porter as Junior Male Athlete of the Year, Amity Alcos as Junior Female Athlete of the Year, Morea Mararos as Best Sports Person with a DisAbility, David Yaroeboinen as Sports Official of the Year, The National as Sports Media of the Year, Wasari Fidelis from Spots Tok Madazine won the Photo of the Year Award, and Papuan Compound Ravens took home the People's Choice Award.

Mid-Year June started off with our Annual General Assembly (AGA) where we reported on our funds used, progress against our 2021-2024 strategic plan and activities for the previous year as part of our good governance practices. Our key sponsors and stakeholders were present to assess and critique our reports in an open and transparent manner whilst special thanks is accorded to Transparency International representative Bill Doa Neil and PNG Sports Foundation Legal Officer Hannah Singut who independently scrutinized the elections for the positions of Senior Vice President, Female Vice President and Male Vice President. Athletics PNG President Tony Green was re-elected Senior Vice President un-opposed whilst Olympian, PNG Sports Hall of Fame Inductee and Kungfu Wushu Secretary Iammo Launa OBE was re-elected Female Vice President and Badminton PNG President Kinivanagi Karo was elected Male Vice President. All three voted executives will serve a term of four (4) years – up until 2026.

During the June AGA, the Papua New Guinea Olympic Committee launched its inaugural National Olympic Committee order of merit awards. The awards ceremony was delivered as part of the PNGOC's 60th Anniversary celebrations, and will be an annual event, as part of the AGA.

We acknowledge and thank the International Olympic Committee for the provision of six (6) trophies which were presented to the six inaugural recipients for their outstanding services to the PNG Olympic Committee, Team PNG, and the sports movement nationally and globally.

The awardees included Sir Henry ToRobert (Posthumous Award), the longest serving President of the PNGOC (29 Years); Sir Mick Nades, for his passion for education, sport and support for athletes' life after sport which has seen IBS support PNGOC and Team PNG for almost 2 decades; Mel Donald, former Shooting Athlete, current President of Shooting PNG, served on the PNGOC Board from 2004-2020 and saw the successful bid of the 2015 Pacific Games; Tamzin Wardley former PNGOC Treasurer from 2022-2020, former President of PNG Yachting and Sailing, Team PNG Chef de Mission to multiple games, Vice President - Finance of the Pacific Games Council since 2016, and current PNG Weightlifting Treasurer and member of

10

PNGOC Audit & Investment Committee; Sydney Yates, Team PNG Chef de Mission to 2004, 2008 and 2012 Olympics, former President of PNG Swimming, former Chairman of Fundraising for the PNGOC for 22 years and current PNGOC Audit and Investment Committee member and advisor; and Sir John Dawanincura, instrumental in building the image, and sustaining the growth of the PNGOC since 1984 as its first paid employee, Secretary General for 26 Years and serving as President of the PNGOC since 2012.

Under the Athlete Excellence Program, IBS University renewed its educational sponsorship for Team PNG athletes to take up studies with the IBS College of TVET and IBSU enabling our athletes with formal certification in their chosen field for life after sport. An extremely important partnership for Team PNG which we are grateful for, for our local elite athletes to prepare them for life after active sports and national representative duties.

June also marked the ongoing delivery in country the Oceania Sports Education Program (OSEP). OSEP is a Pacific led sports education program that aims at increasing the capacity and capability of all those involved in sports through a portfolio of courses ranging from Sports Administration, Community and Development Coach, Team Management, Strength and Conditioning and Training. In preparation for the 2022 multi-sport games we ran the OSEP Team Managers course to ensure all traveling Team Managers were competent in carrying out their respective responsibilities whilst on Team PNG duties as part of our capacity building responsibilities.

The PNGOC with the support of ExxonMobil PNG was also able to commemorate the Olympic Week with the rest of the Olympic Movement, keeping in line with the three (3) Pillars of Olympic Day "Learn, Move and Discover".

Coinciding with the Olympic Week, Games & Programs Manager, Asiani Vagi attended the 62nd International Session for Young Olympic Ambassadors held from 11 to 23 June 2022 in Athens and Ancient Olympia, Greece.

June saw our participation at the 2022 Northern Marianas Pacific Mini Games where Team PNG topped the medal tally with 33 Gold, 28 Silver and 19 Bronze for a total of 80 medals. Strategically participating in five (5) of the nine (9) available sports, we were able to win the Pacific Mini Games for the third time on foreign soil. The Pacific Mini-Games is a precursor to the main Pacific Games to be staged in Honiara in the Solomon Islands in 2023. We were able to witness the debut of future Team PNG superstars in athletics such as 19-year-old 400m specialist

Adolf Kauba, 19-year-old middle distance runner Scholastica Herman, and 200m specialist Leeroy Kamau.

Several weeks after our July crowning as Pacific Mini-Games Champions we announced our merchandise partnership with Jacks of PNG as a corporate partner for 2022-2023. The PNGOC will provide its Team PNG trademark to Jacks of PNG to create an agreed range of Team PNG supporter apparel for the general public to purchase from all Jacks of PNG retail outlets. In addition, the Government of Papua New Guinea, through the PNG Sports Foundation (the government branch of Sports in PNG) came through with a timely cheque presentation of K626,980 prior to Team PNGs departure to the 2022 Birmingham Commonwealth Games.

We acknowledge the continued collaboration and support of the PNG Sports Foundation and the Government of Papua New Guinea. Led by Chef de Mission Michael Henao and Morea Baru's Silver in the 61kg Men's Weightlifting division saw Team PNG placed 35 out of 72 Commonwealth Nations and had some of our elite athletes clock their seasonal best times at the games.

Below are a few pictures from the Birmingham 2022 Commonwealth Games

In early September after a heavy laden games focused year we turned our attention towards the upcoming games by announcing the appointment of current PNGOC Legal Advisor and AFL Development PNG Executive Faye-Zina Lalo as Chef de Mission to the 2023 Solomon Islands Pacific Games; Olympian and Female Vice President lammo Launa as the Chef de Mission to the 2023 Trinidad and Tobago Commonwealth Youth Games; and Olympian, Athletes Commission Chair and PNG Swim Sensation Ryan Pini as the 2024 Paris Olympic Games Chef de Mission for Team PNG.

A Games Review workshop was held on September 10th to review the performances from the two games in 2022 and realistically plan as to how to improve for 2023 and beyond based on the current timeframes and scarce resources at our disposal, whilst accounting for the key performance indicators in the Team PNG Performance Strategy of 2021-2024.

Games Review Workshop

Also within the month of September, and after the consequent induction of the Eleventh (11th) Papua New Guinea Parliament, the PNGOC was fortunate to have the opportunity to hold a welcome reception and orientation for the newly appointed Minister for Sports and Higher Education, Research, Science and Technology Hon. Don Polye to familiarise him with the work of the PNGOC within the PNG Sporting landscape and our ongoing collaborations with the PNG Sports Foundation and targeted games for the coming years.

In the latter part of September, PNGOC was represented at the XVI Association of National Olympic Committees (ANOC) General Assembly in Seoul, Korea by President Sir John Dawanincura with Secretary General Auvita Rapilla as ONOC Executive Member and Female Vice President lammo Launa OBE selected as one of five female leaders to attend the meeting.

Throughout the weekends in the month of October the OSEP Management in Sport Organisation (MiSO) Administration course was conducted for Executives and Athletes of member and affiliate National Federations as part of our on-going commitment towards capacity building and delivery of the OSEP courses in country.

This specific OSEP MiSO course is aimed at assisting the development needs of the sport executives who are actively working with clubs or federations, to manage and administer sports in the country. It targets executives, paid staff, retiring elite athletes and volunteers. Special thanks and acknowledgement to Badminton, Bodybuilding, Boxing, Cricket, Golf, Fencing, Hockey, Netball, Rugby League, Swimming, Va'a, Volleyball, and Weightlifting for their participation in the MiSO course.

To round out the year a Sponsors Cocktail reception was held at the 2022 award winning Grand Papua Hotel in Port Moresby in November to thank our sponsors for their generous and continued support in 2022 for a successful Team PNG games campaign which saw Team PNG participate in two international multi-sport events being the 2022 Northern Marianas Pacific Mini-Games, where PNG placed first and won the games, and the 2022 Commonwealth Games in Birmingham where PNG respectfully placed 35 out of 72 competing nations.

Our 2022 Corporate Sponsors included Kumul Consolidated Holdings (KCH) as the major contributor to Team PNG's Performance Strategy, the PNG Sports Foundation (PNGSF) as the key partner and government arm responsible for sports in PNG, Trukai Industries, The National, SP Brewery, IBS University, ExxonMobil PNG, Coral Sea Hotels, PacificAus Sports, Theodist, The National, Air Niugini, Trophy Haus PNG, Media Partners, Jacks of PNG and Blue7 Team.

A special mention to our support sponsors in 2022 the National Capital District Commission, Oilmin Field Services, Tribe Agency, Brian Bell Group, City Pharmacy Group Limited, Steel Industries, Carbine Club, Vanguard International and Pro Clean.

Apart from our major sponsors this year who supported us to the games, we would also like to acknowledge the support from multiple local businesses and entities such as the National Capital District Commission, OilMin Field Services for the food donation to our Team PNG athletes for both games, Tribe Media for the social media content production during the Birmingham Games, Carbine Club for the cash donation towards the athletes for the Birmingham Games. Our success in 2022 is also your success.

Following on from a successful 2022 games campaign we were fortunate to have Vanguard International sign on in the month of November for a two-year period as a Corporate sponsor. The leading employment agency will be providing in-kind support to the PNGOC and Team PNG in the areas of its existing service specialisations of visa, national identification, and passport processing, as well as consulting to the organisation on its existing HR recruitment. policies, athlete iob readiness and assisting athletes preparation seek traineeships and employment opportunities.

Kicks 4 Kokoda soccer tournament under the partnership between the Kokoda Track Foundation and Grassroots Soccer with the support of TEAM UP delivered three (3) tournaments in Oro Province throughout the year with the last tournament concluding in early December. The program uses football for development to empower adolescents, increase health-seeking behaviors and promote gender equality while strengthening passion for sport.

The Games and Programs Division was able to hold and achieve some of its set events in 2022 with the delivery of a range of activities together with the support of our partners. These included the National Team Managers, OSEP Community Coach & Official, Sport in Community Administration and Gender Equity Workshops in May, and the Oceania Sport Education Program (OSEP) workshops both delivered in Port Moresby, including the Olympic Values Education Program (OVEP) with Team PNG Athlete Heroes in Papa and Lealea through the support of Exxon Mobil PNG.

Papua New Guinea Olympic Committee was one of 50 National Olympic Committees (NOCs) invited to participate in the inaugural Association of National Olympic Committees (ANOC) NOC Technical and Sports Director Seminar. Chris Amini in his capacity as Team PNG Performance Coordinator attended the seminar in Lisbon, Portugal from 3 to 6 November 2022.

Also in November, the world's largest gathering to advance gender equity and equality in sport and physical activity, the 8th IWG Women and Sport Conference, was held in Auckland, New Zealand. The Australian Government through its sport for development program, Team Up, made the global conference accessible to participants in Papua New Guinea, through a free interactive live stream conference hub at APEC Haus in Port Moresby, which ran for two days. The PNG

Hub ensured women, girls and leaders from the sport, sport for development and physical activity sectors in PNG were provided the opportunity to engage, share experiences and learn from the various sessions being delivered during the two-day event. Attendees were privileged to hear from PNG stateswoman, diplomat and former South Pacific Games silver and bronze medalist for the nation, Dame Meg Taylor who delivered the conference keynote address.

To cap off the year, the 7th Edition of the Papua New Guinea Sports Hall of Fame event was held on December 8th after a one-year hiatus. Inducted into the 2022 Hall of Fame class was Tau John Tokwepota from the Sport of Athletics, Veitu Diro from the sport of Netball and Basketball, while a first from the sport of Football (Soccer), and awarded posthumously was Joseph Turia.

In our efforts to strengthen the organisational capacity of the Secretariat to better serve our stakeholders and deliver on our strategic objectives, staff team building, training and development was prioritised together with the purchase and migration to a new Xero Accounting Software funded through Olympic Solidarity.

We are grateful for the ongoing support received from the International Olympic Committee, Oceania National Olympic Committees, Association of National Olympic Committees, Commonwealth Games Federation and the PacificAus Sport Program through DFAT.

Success in our endeavors will depend significantly on the strategic partnerships and the ability of all involved from the PNGOC and the National Federations to develop, embrace new ideas and competencies to work with one mind and a shared vision as we transform together for sports and athletes to excel in 2023 and beyond.

Independent Auditor's Report

To the Members of Papua New Guinea Olympic Committee Inc.

Report on the audit of the Financial Report

Opinion

We have audited the Financial Report of Papua New Guinea Olympic Committee Inc. (the "Committee").

In our opinion, the accompanying Financial Report of the Committee is in accordance with the Association Incorporation Act (Chapter 142), including giving a true and fair view of the Committee's financial position as at 31 December 2022 and of its financial performance for the year ended on that date.

The Financial Report comprises:

- statement of financial position as at 31 December 2022;
- statement of comprehensive income, statement of cash flows for the year then ended; and
- notes including a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with the *International Standards on Auditing*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Committee in accordance with the ethical requirements of the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the Financial Report in Papua New Guinea. We have fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that we have remained independent as required by the Code throughout the period of our audit and to the date of this Auditor's Report.

Basis of accounting

Without modifying our opinion, we draw attention to note 1 to the financial statements, which describes the basis of accounting. The special purpose financial statements have been prepared for the purpose of fulfilling the Executive Committee's financial reporting responsibilities under *the Association Incorporation Act* (chapter 142). As a result, the financial statements may not suitable for another purpose.

Other Information

Other Information is financial and non-financial information in Papua New Guinea Olympic Committee Inc.'s annual reporting which is provided in addition to the Financial Report and the Auditor's Report. The Executive Committee is responsible for the Other Information.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

Responsibilities of the Executive Committee for the Financial Report

The Executive Committee is responsible for:

- preparing the Financial Report that gives a true and fair view in accordance with the *International Financial Reporting Standards* and the *Association Incorporation Act (Chapter 142)*;
- determining that the basis of preparation and accounting policies described in note 1 to the financial report are appropriate to meet the requirements of the Committee's constitution and is appropriate to meet the needs of the members;
- implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error; and
- assessing the Committee's ability to continue as a going concern and whether the use of the going
 concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to
 going concern and using the going concern basis of accounting unless they either intend to liquidate the
 Committee or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with *International Standards on Auditing* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Report.

As part of the audit in accordance with *International Standards on Auditing*, we exercise professional judgement

and maintain professional scepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

Auditor's responsibilities for the audit of the Financial Report (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Committee's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of Those Charged with Governance (TCWG)'s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Committee's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Committee to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

The auditor communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that the auditor identifies during the audit.

The auditor also provides those charged with governance with a statement that the auditor has complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on the auditor's independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

We have obtained all the information and explanations, which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

In our opinion proper books of account have been kept by the Committee, sufficient to enable financial statements to be prepared, so far as it appears from our examination of those books; and to the best of our knowledge and according to the information and explanations given to us the financial statements give the information required by the *Association Incorporation Act (Chapter 142)*, in the manner so required.
