PNGOC to present 2021-2024 Strategic Plan at Annual National Federation Workshop

The Papua New Guinea Olympic Committee (PNGOC) will conduct its annual National Federation workshop on Saturday, 5th of June, 2021 at the Gateway Hotel in Port Moresby.

The workshop will be attended by representatives from all the 38 National Federations affiliated to PNGOC. The Minister for Higher Education, Research, Technology and Sport, Hon. Wesley Raminai has also been invited to attend along with PNG Sports Foundation Acting Executive Director, Micah James and the 8th PNG Games Sports Directorates office.

PNGOC Secretary General, Mrs Auvita Rapilla said that the workshop was mainly to present PNGOC's new Strategic Plan and Team PNG's Performance Strategy that were recently endorsed by the Board for the new strategic period of 2021-2024.

The full day workshop will have PNGOC present details around the new strategic plan and Team PNG Performance Strategy, which includes the new procedures, and policies as well as guidelines and templates developed to assist National Federation's with their plans during this quadrennial. The Eighth PNG Games Sports directorate will also have an opportunity to give an update on the Games scheduled for the end of 2021.

Rapilla added that it was important for NFs to attend this workshop to familiarise themselves with PNGOC's new strategic direction and to understand how PNGOC can support them with their plans.

Taking into consideration COVID-19 restrictions, National Federations were encouraged to register two representatives from each of the 38 National Federations. PNGOC had also gained approval from the Controller, Mr David Manning to conduct this workshop and will be following the *Niupela Pasin* measures in place on the day.

For any queries on the workshop, NFs should contact Chris Amini, Team PNG Performance Coordinator on 325 1411 or 325 1449.

END.
