KNT is delighted to announce that they have been appointed as the Authorised Ticket Reseller by **Papua New Guinea** for the Tokyo 2020 Summer Olympic Games. The Olympic Games will take place from July 24 – August 9, 2019. As an Authorised Ticket Reseller, KNT will be selling a variety of packages and tickets to residents of their appointed National Olympic Committees.

Tokyo and all off Japan are preparing for the return of the Summer Olympic Games and it looks like everyone is planning to come! Unprecedented interests in tickets is a feature of the 2020 Games where empty stadium seats will be a thing of the past. With over 200 nations coming together for the world's only true celebration of sport the Summer Games serves up spectacular competition; inspiring athletes and spectators alike. With 33 sports and 50 disciplines, this event has it all with the world's top athletes competing to win for their counties and set new world records.

KNT have designed 4- and 5-night **packages** to include a variety of event tickets, transfers, hotels and welcome reception and support staff. KNT will also launch Rugby 7s final packages which will be based on the "Follow my Team" allocation of public domain tickets.

The **ticketing** process will be based on a request basis. All residents of KNT appointed countries will be able to place a ticket request and register for ticket accounts through our website. Requests will be entered into the allocation round. Allocations will be scheduled on a regular basis, the first being October 2019. Successful requests will require full payment. If the KNT inventory does not have tickets in stock to fulfil your request, and if KNT believe it will be able obtain them in the next round with the Organising Committee, KNT will waitlist your request. However, if KNT feel your request is unobtainable, KNT will list your request as unavailable and process a refund for the unavailable tickets.
